THOMAS HANS.

Gently came the Death Angel to summon the soul of one of Nature's noblemen to cross to the other shore where the Merciful Father of us all awaited the coming. The shades of night had fallen, sleep time had come and Thomas Hans fell asleep to awake again before His Maker. The day and the hour, Monday, 7:40 p. m., will ever be to those whom he loved most one of profoundest sadness so deeply graven on the tablets of memory that even the tooth of time can never gnaw away.

One of nature's noblemen, born at Castroville, of that sturdy Alsatian race, Tom Hans, a pioneer of the Southwest, came upon the scene. He was beloved and honored by the many who have come in contact with him. He was passionately fond of fishing and hunting, pastimes acquired when the Southwest was a wilderness, and many esteemed it a favor to be with him on these excursions for these sports, but it was not only in these that he excelled, it was rather those high attributes and qualities of manhood that distinguished him among men. Kind, gentle and honest, devoted to his Church, faithful to his God. Kind and indulgent to his family, loyal and consistent to and with all, his presence will be missed but the memory of him will live.

His decline in health began some two years ago and was gradual and not until the hour of his demise was his earthly life deemed so near its end.

He was within a couple of months of completing his 77th year. His only surviving relatives are his sister, Mrs. C. Wallen and a daughter, Mrs. E. C. Thumm, a son, Linney Hans, all of Del Rio, a stepson Herman Schleuning of El Paso, two grandchildren and a number of nephews and nieces.

His funeral took place from the Sacred Heart Church on Wednesday forenoon after a solemn Requiem Mass celebrated by Rev. C. Haas, O. M. I. A large concourse of friends attended the funeral and the floral tributes were many and exceedingly beautiful.

The following were the Active pall bearers: L. J. LaCrosse, Will Turner, Louis Pingnot, R. E. L. Bush, John Qualia and C. B. Freeman.

The Honorary pall bearers named were, L. A. LaCrosse, John W. Almond, G. L. Walker, Wm. Sauermilch, E. Bochat, E. E. Bonnet, Jos. Jones, L. Rust, Clyde Walker, M. L. Barry, W. J. Burns, C. J. Reed, E. S. Block and A. G. Edwards.

He had resided in Del Rio 35 or 40 years.—West Texas News.

Mrs. Braden of San Antonio, John Hans of Castroville and Herman Schleuning of El Paso were here for the funeral of the late Tom Hans.—West Texas News.

Lieut. and Mrs. Harold Reilly left Friday for Honolulu. They have been the guests of his parents, Mr. and Mrs. H. W. Reilly for several months while on a furlough.—Sabinal Sentinel.

A Wish

"I HAVE TAKEN Cardui for run-down, worn-out condition, nervousness and sleeplessness, and I was weak too," says Mrs. Silvie Estes, of Jennings, Okla. "Cardui did me just lots of good—so much that I gave it to my daughter. She complained of a soreness in her sides and back. She took three bottles of Cardui and her condition was much better."

"We have lived here, near Jennings, for 26 years, and now we have our own home in town. I have had to work pretty hard, as this country wasn't built up, and it made it hard on us."

"I WISH I could tell weak women of Cardui—the medicine that helped give me the strength to go on and do my work." This card fulfils her wish.

WITH THE DRILLERS.

The deep test well on the Zerr ranch, survey 459, being drilled by Herman Hought et al., has resumed operation, setting their large casing 460 feet. Last reports from the well are that the formations in which they are drilling is very favorable, and with the continuation of favorable weather, it is expected that within a short time they will be down where, according to the geological report on this acreage, they will strike the first producing sand. This well has considerable attention from men all over the country as the latter is one of the best and most experienced cable tool drillers in the country.

We have no information from the other drillers, but now that the weather is back on its good behavior, interesting news as to the progress being made will probably be available at an early date.

LIGHT COMPANY ELECTS.

At a meeting of the directors of Hondo Light, Power & Ice Co., Thursday, the following were elected: Wm. H. Walker, President; E. Richter, Vice-President; A. G. Walker, Secretary.

The Company is changing from its current to alternating current commercial voltage and making large investment which will make Light plant a first class power plant. This will enable it to give service equal to any city plant regardless of size, giving 24 hours service. The change will be made on the 1st of March, provided there is no delay in the delivery of material. This change will prove a valuable asset to Hondo.

COMMISSIONERS' COURT.

The January term of the county commissioners' court convened at the court-house Monday morning, all members being present, and the following business was transacted:

A committee appeared before the court and petitioned that the Hondo-Yancey road be graveled as far as Live Oak Slough, the committee pledging \$1,312 towards the expense. It was ordered that Commissioner Buss proceed to sink holes for gravel, and determine the cost of the proposed improvements.

It was ordered that Commissioner Tondre be authorized to purchase three acres of land on Highway No. 3, from Wm. Wiemers, said land having been cut off by the highway, the price to be paid for the land being \$10 per acre.

It was ordered that the county will no longer pay for cleaning, repairing damages or filling dipping vats after February 1st 1924, this order being necessary in order that funds will be available for carrying on dipping until September 1st of this year, when it is expected the county will be tick free and the quarantine lifted. Each commissioner was ordered to have notice to this effect published in the county papers.

It was ordered that Mrs. L. Van Fleet be paid \$30 for expenses attached to the keeping of Sallie Hancock, insane, said amount being in partial payment for bedding owned by Mrs. Van Fleet which had to be burned.

It was ordered that appropriate notices be published reminding the people of the county of the existence of a stock law, and failure to observe said law subjects the violators to criminal prosecution upon complaint made by any person.

Various bills were allowed.

The court adjourned for the term Tuesday afternoon.

COMMISSIONERS' COURT ORDERS.

At the January Term of the Commissioners' Court the following order was passed:

Ordered that the county will not pay for cleaning, repairing or refilling vats nor for damage to vats, after the 1st day of February, 1924; this step being necessary in order to have funds enough to carry on dipping and maintaining inspectors to Sept. 1st. this year, when it is expected that the entire county will be declared free of ticks and the quarantine lifted. It is further ordered that this order shall be published in each paper published in Medina County, for one time.

It is further ordered that appropriate notices be published reminding the citizenship of the county of the existence of a stock law which prohibits the running at large of mules, horses, cattle, jacks, jennets, hogs, sheep and goats, and that failure by any person to observe said law subjects the violator to a criminal prosecution upon complaint made by any officer or other person. Owing to the fact that many letters of protest have been received by the authorities asking for enforcement of this law more strictly, this notice is accordingly published and the public duly warned.

J. D. DECKERT.

Tuesday's Houston Chronicle contained notice of the death of J. D. Deckert in Houston at 6:15 o'clock Sunday evening from injuries sustained in a railroad wreck on the Tuesday before. Deckert was a fireman on the M. K. & T. and was aboard the engine when two of that road's fast passengers crashed into each other. The entire engine crews of both trains were killed. His body was shipped from Houston to San Antonio for interment. He is survived by his wife, a brother, Willie Deckert, of Smithville, and his mother, Mrs. Mary Deckert, of San Antonio.

ADVICE TO THE AGED

have a specific effect on these organs, stimulating the bowels, gives natural action, and imparts vigor to the system.

WEARY OF LIFE.

Mrs. Elizabeth Edna Rucker, consort of the late Jude M. Rucker, was found in an unconscious condition in the front entrance of the Airdome at a little after 7:00 o'clock Wednesday morning by Albert Hutzler. Albert immediately called Dr. Meyer who lives close by. The doctor on arriving at the place found Mrs. Rucker alive but suffering from a pistol shot wound, the bullet entering her forehead about three quarters of an inch above and a little to the left of her left eye, passing through her head and coming out a little higher up on the other side.

Deceased had passed the night at the home of Mrs. Holly, and on arising in the morning said she was going to her room at Mrs. Nelson's. The next seen of her was when her body was discovered as stated above.

The body was picked up and removed to the home of Mrs. Holly and she was made as comfortable as possible and, despite the terrible wound in her head, she survived until 7:00 o'clock in the evening.

Among her effects was found an unsigned letter addressed to relatives and friends in which she intimated her purpose of self destruction and gave directions as to what disposition she desired made of her possessions. The letter shows despondency, and it is possible that brooding over the death of her husband, which occurred on the 9th of last September, unbalanced her mind and caused her to commit the terrible deed.

Deceased was the daughter of Mr. and Mrs. William Buchanan of Leakey, Texas, and was born October 11, 1902; she was married to J. M. Rucker August 13, 1922, and came with him to make her home here.

Judge A. M. Lamm, in his capacity as coroner, held an inquest on the body Thursday morning, and after eliciting all the facts possible returned a verdict of death by pistol shot wound self-inflicted. A 32-caliber pistol was found beside the body.

It is sad indeed to contemplate such a terrible deed by one who was standing on the very threshold of life, and no one can account for it on any other theory than that constant brooding over the recent bereavement temporarily, at least, overthrew her reason. Her husband died of a self-inflicted wound on the 9th day of last September.

The funeral occurred at 5:00 o'clock Thursday afternoon, her body being interred beside that of her husband in the Hondo Silent City of the Dead, Rev. W. C. Brown, pastor of the Hondo Baptist Church, officiating. Now that life's fitful fever is over, may she find rest and contentment in the life beyond the grave.

Her immediate relatives in this section are Mrs. F. L. Rucker and Mr. and Mrs. L. T. Rucker, and they have the sympathy of all our people in their terrible bereavement.

JESUS SANTOS.

Jesus Santos, an old and highly respected Mexican citizen of Medina county, died in a hospital in San Antonio last Sunday, where, we understand, he had gone for an operation. He had been a citizen of this county between twenty-five and thirty years, and was regarded by those who knew him best as a splendid citizen. By frugality and hard labor he had acquired a good home and was in independent circumstances.

As far as we know, the body was laid to rest in a San Antonio cemetery. Mr. Santos had led an exemplary life while a resident of this section and Medina county is the poorer by his passing.

His only known surviving relatives are his wife and one son, David Santos, who we believe is now a resident of Washington City, and they have the sympathy of our people in their bereavement.

NOTICE.

To the parents' and pupils of the Hondo Schools:

I intend, if nothing prevents, opening a stand in one corner of my yard, just across the street opposite the Hondo High School. I expect to sell hamburger sandwiches, minced chicken sandwiches and home-boiled ham sandwiches. Probably two days out of each week I will serve chili in individual dishes.

For dessert, pies, cookies and fruit.

While there is absolutely nothing compulsory about the patronage of this little business, I have gone to quite a large expense in opening this stand and will appreciate a liberal patronage from the students.

To further advertise this place of business I intend to give away on the first day, absolutely free, a hot hamburger to each one that comes over, this includes Supt. Howell.

After first day, terms, cash.
I will try to be open Monday, 21, 1924.

Ford
THE UNIVERSAL CAR

Looking Ahead

LAST Spring a total of 350,000 people were disappointed in not being able to obtain deliveries of Ford Cars and Trucks, as orders were placed faster than cars could be produced.

The demand for Ford Cars and Trucks this Spring will, according to all indications, be far greater than last Spring.

Winter buying has been increasing at a greater rate than ever before.

Actual retail deliveries the past 60 days totaled 308,170 Ford Cars and Trucks, an increase of 1,961 a day over a year ago.

Over 200,000 people have already ordered Ford products on our purchase plan, the majority of whom will take delivery in the Spring.

The above facts are given with the suggestion that you list your order promptly with a Ford dealer if you contemplate the purchase of a Ford Car or Truck for use this Spring or Summer and wish to avoid delay in delivery

Ford Motor Company

You need not pay cash for your car. You can arrange to make a small deposit down, taking care of the balance in easy payments. Or, you can buy on the Ford Weekly Purchase Plan. This puts you on the preferred order list and insures delivery of your car at a time to be determined by yourself.

"SCOTTY" COCKRELL HAS A BIRTHDAY PARTY.

Mrs. F. S. Cockrell entertained at the spacious lawn at her home Saturday afternoon in honor of her little son, Scotty, the occasion being the 7th anniversary of his birth.

Shortly after three o'clock the guests began arriving and, when all had assembled, some 105 persons were present. Peanuts, in gay colored wrappers, had been hidden in every "nook and cranny" about the place and now "the battle was on". Each little tot held the hand of a larger child and a see-sawing such as was never seen before was kept up until all the peanuts had been found. Then the children turned to the blowing of balloons, eating of stick candy and ice-cream cones and the playing of various games, of which Miss Alice Newton, teacher of the first grade, was in charge, for further entertainment. In the meantime their elders indulged in contests, races, etc. In the archery contest, Mrs. Hugo Schweers won and the booby went to Mrs. Roland Chancey; Mrs. Walter Rothe won in the races and the booby was presented to Mrs. Ben Oefinger.

Those who helped to make the children happy on this occasion were Miss Alice Newton and Mesdames Theo. Barnes, J. R. Chancey, Raymond Bailey, L. A. Mechler, Hugo Schweers, S. A. Jungmann, Walter Rothe, Elmer Rothe, Ben Oefinger, Ella Oefinger of Seguin, Roland Gaines, Ray Taylor, C. M. Merritt, M. J. Jennings and Ed Cameron.

Master Scotty was the recipient of many beautiful gifts and will long remember the donors and his seventh birthday.

CHARLES WILSON GIVES WEAREVER ALUMINUM DEMONSTRATION.

The ladies of Hondo and vicinity were treated to an instructive and enjoyable lecture by Charles Wilson, the local representative of Wearever Aluminum, last Friday afternoon. The entertainment was both edifying and edible—the edifying part was supplied by Mr. Charles himself in illustrating the superior wearing, cleaning, cooking, time-tested qualities of Wearever, and the edible part was supplied by himself and his assistants in serving a plate dinner cooked in wearever "on the spot". Everything from "soup to nuts" was served and enjoyed.

A guessing contest as to the age of an aluminum pan, the property of Mrs. Tom McClaugherty, was won by Mrs. Will Muennink and Mrs. Roland Chancey, the age being 14 years; and the pan as good as new.

Charles hopes to sell his commodity successfully enough in this vicinity to enable him to continue his University courses. He was assisted by Mrs. J. Horger, Mrs. Isaac Wilson, Mrs. Theo. Barnes, Mrs. J. Murray and Mrs. Frank Schweers.
